

ST MICHAEL'S MAIL

Nursery Newsletter

23rd February 2020

Hello from Hilary

We are looking forward to welcoming the children back to nursery this week with a dinosaur theme. We'll discuss and share together what we know about dinosaurs and make mind maps. We will listen and dance to dinosaur movement songs and explore dino-themed maths activities and malleable play. We will also hopefully create a dinosaur for a new display.

We have been donated some lovely good quality toys. Unfortunately we have duplicates and as we have limited storage at nursery we will be offering them to parents with funds raised being split between the nursery and Cancer Research. The biggest items are a dolls house, garage and castle. Photos will follow on Facebook.

Reading tip of the week

Keep some books in the car for your child to look at on journeys or to read to them when waiting in the car. Try listening to audio books on longer journeys. You can borrow audio books from your local library.

Writing tip of the week

Put lots of different sized containers in the bath for your child to fill and pour. This develops fine motor control.
