

St. Michael's Community Nursery, a hidden gem at the foot of Boxhill, is a small term time only nursery providing early years education for children from two to five years old.

We are currently looking for a passionate Early Years Practitioner and SENCo to join our team. Candidates should have a sound knowledge of child development, a love for the outdoors and a passion for supporting children on their own unique educational journey. The role would be a combination of Early Years Practitioner and Key Person, with dedicated time allocated for the SENCo role.

Minimum requirement of Level 3 relevant qualification and a desire to continue professional knowledge ~ if not already achieved, we would support the successful candidate to study the level 3 Early Years SENCo qualification.

We are ideally looking for 18 hours over 3 days. Some of which could be home/flexible working following a successful probation period.

Pay scale £12.87-£14.98 depending on qualifications and experience.

Please contact Hilary Budd for an application form or to arrange a visit.
